

## **REPRESENTATIVE DRIEHAUS WELCOMES \$3.2 MILLION HHS GRANT FOR CHILDREN'S HOSPITAL**

**WASHINGTON, DC**—Representative Steve Driehaus today welcomed an announcement by the Department of Health and Human Services (HHS) of an award of \$ 3,246,560 for Children's Hospital Medical Center. The HHS funding will support medical research at the hospital.

"This funding will support important efforts to treat children with neurological disorders, and is a smart investment in the future of patient care. Children's Hospital is a cornerstone of our medical community and this award will help them continue their important work," said Rep. Driehaus.

This funding will support a project entitled "Impact of Initial Therapy and Response on Long Term Outcome in Children with CAE," and will be under the direction of Dr. Tracy A. Glauser who serves as director of the Comprehensive Epilepsy Center at Children's Hospital.
